

## More than \$18,000 raised for literacy!

Thank you! At this year's used book sale fundraiser, we raised a whopping \$18,000 to support efforts to improve literacy in Oakville.

We couldn't have done it without you! We are becoming known as the sale that offers gently used books in great condition, thanks to the generosity of our book donors.

The money we raise supports our adult literacy program. Our trained volunteer tutors work one-on-one with local adults to help them improve their reading, writing, and math skills. Some learners are seeking skills for further independence, while others are trying to upgrade for better employment or educational opportunities.

Learn more about other ways you can support us, throughout the year, by visiting [www.oakvilleliteracy.ca](http://www.oakvilleliteracy.ca).

See you next year!
