

# Thank you for helping our volunteers raise \$22,000 for literacy in Oakville!

Wow! **Another record-breaking sale in 2011!** Once again we are thrilled with the results of our used book sale fundraiser, and **we have you to thank.**

The personalized nature of our adult literacy program, the very thing that makes us effective in helping adults learn and succeed, really stretches our resources. **Without the support of the community we serve, we simply couldn't continue our good work.**

The support for our cause is remarkable – book donors brought us somewhere close to **30,000 books** this year; **volunteers spent hundreds of hours** collecting books, sorting them, and working at the sale; and the **Rotary Club of Oakville Trafalgar donated 500 reusable shopping bags.** Thank you to all of them, as well as the others listed below.

The money we raise helps us **fund training and support for our volunteer tutors, and professional assessments, learning plans, and resources for our students.**

**Learn more about other ways you can help us,** throughout the year, by visiting [www.oakvilleliteracy.ca](http://www.oakvilleliteracy.ca). Watch for new fundraising events later in 2011.

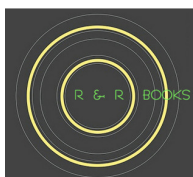

Many thanks and best wishes,  
The 2011 Used Book Sale Committee
